

## COVID-19 OUTBREAK DASHBOARD

To protect the health of our School Community and per the Emergency Order issued by the Michigan Department of Health and Human Services [Reporting of Confirmed and Probable Cases of COVID-19 at Schools](#) on October 6, 2020, St John Vianney Catholic School will use this webpage to provide Public Notice to our School Community regarding School Associated Cases of COVID-19. Within 24 hours of being notified of a School Associated Case by Genesee County Health Department and our nurse, Mrs. Irene Panos, this dashboard will be updated to include new and cumulative COVID-19 case counts. Individuals identified as Close Contacts of School Associated Cases will be notified separately and directly by Genesee County Health Department. Cases are recorded below for the 2021-22 school year.

**Updated: 1/10/22**

### STATUS OF INSTRUCTION AND SCHOOL-SPONSORED FUNCTIONS

- **Instruction:** In Person
- **School-Sponsored Functions:** None presently

On 1/10/22, the Genesee County Health Department made us aware of the following 1 case counts of School Associated Cases of COVID-19 amongst the St. John Vianney School Community. This data may include probable and confirmed cases as reported by Genesee Health Department among students, staff, administration, coaches, or visitors, if the person with COVID-19 was in the building or participating in a school-sponsored function during their infectious period.

<b>New Cases (Since Last Update)</b>	<b>1</b>
<b>Cumulative Cases (Since Reporting Began)</b>	<b>7</b>
<b>Populations Affected</b>	<i>Student, staff</i>

Per any incident, as a precaution, we will be disinfecting applicable areas of the school. This may include spraying classrooms, hallways, locker rooms, and common areas, as needed, with a sanitizer, along with other methods of disinfection.

### ACTIONS YOU CAN TAKE

We recommend taking action to help limit the spread of COVID-19, even if staff members or students are not experiencing symptoms:

- **Wear a mask** (covering mouth and nose) while in public places or if people who do not live with you must visit your home.
- **Practice social distancing** (maintaining a distance of 6 feet apart).
- **Practice frequent handwashing** (using soap for 20 seconds or hand sanitizer with 60% alcohol).
- **Follow [capacity restrictions](#)** of social gatherings.
- **Cover coughs and sneezes** with a tissue or with the inside of your elbow and immediately wash your hands.
- **Stay home if you are sick;** you can also [get tested](#).

- **Answer the phone if the health department contacts you**, as a contact tracer may be trying to reach you with important information.

This information does not mean you should quarantine or isolate. Those members of the School Community who were or are suspected to have been in Close Contact with a School Associated Case will be notified by the Genesee County Health department.

Thank you for understanding that, due to medical privacy laws, we are not able to release the names of the individuals with COVID-19. We will continue to communicate changes and updates with you. With your participation, we believe we can maintain a safe environment while also providing quality education.

If you have any questions, contact Genesee County health Department at (810) 257-3612

For answers to your COVID-19 questions, please call the Michigan Department of Health and Human Services COVID-19 Hotline at 888-535-6136 or visit [Michigan.gov/Coronavirus](https://www.michigan.gov/Coronavirus).

“We recently became aware of a student in our school setting that tested positive for COVID-19. We found out on 1/10/22 that the test came back positive. We are responsible for identifying all students and staff members who are considered “close contacts” by the CDC guidelines. We want to protect the confidentiality of this person. We are moving forward under the guidance of the Genesee County Health Department. All measures have been taken to protect the wellbeing of your child(ren), including thoroughly disinfecting the school building. Please monitor for onset of symptoms related to COVID-19, including fever or chills, cough, sore throat, difficulty breathing, diarrhea, vomiting, or abdominal pain, new onset severe headache, or new fatigue. If you note any change in the health of your child, please call your regular medical provider.”
